<b>English</b> C2	<b>Spanish</b> C1
<b>German</b> A1	

## HOBBIES

Lost Media Archival  
Essay Writing  
Coding  
Cooking  
Music Production

## WORK EXPERIENCE

### Freelance

Video Editor

Worked as a freelance video editor, this job made me learn the fundamentals of using editing software like Kdenlive and Premiere Pro.

### Kritterhouse

Founder

(February 2021 - Present)

Working on various projects including the Rybo project, a game controller for rhythm games.

## PROJECTS

### The Kritter License

<https://github.com/Kritterhouse/kritter-license>

(July 2021 - August 2021)

A family of licenses made to release abandoned projects into public domain.

### Drakula

<https://github.com/CITIZENSIXTYNINE/Drakula>

(May 2021 - Present)

Yet Another Dracula theme for Discord

This project helped me learn the fundamentals and uses of CSS in environments where the user doesn't use a web browser.
